This schedule has been composed to give you an idea of what generally occurs. Some of the times and events will not be finalized until the last minute. You will receive the final event schedule when you register on Tuesday.

Most check out on Friday, but a fair amount stay & enjoy free time on Friday & depart on Saturday.

Jim Sheppard will have the 50th Infantry Archives set up in the Board Room off of the main Lobby on the ground floor from all day Tuesday through Thursday Night.

The highlight of this reunion will be the dedication of a new addition to our Memorial Area. 36 New Names will be added. They are mostly men who were killed in action in Vietnam while serving in various "E" and "F" Company designations. This event will coincide with our Wreath Laying Memorial Service on Thursday Morning. We expect there will be relatives and friends of these men in attendance. Please make them feel "At Home".
