

The National Infantry Museum and Soldier Center at Patriot Park stands in honor of the Soldiers, past present and future. It is our wish to offer permanent recognition to every individual who has contributed to the preservation of our freedom in the form of personalized pavers. These exquisite granite blocks will be prominently placed alongside the 20-foot-wide Heritage Walk which runs the length of the museum and leads visitors to the parade field. The walkway is lined with flags from every state in the nation and each of its territories. A kiosk in the lobby helps visitors locate their pavers.

Celebrate a  
graduation  
Commemorate a retirement  
Memorialize  
a loved one

*"The National Infantry Museum paver program is intended to honor individuals who have served or who support those who have served in the U.S. Armed Forces."*

This is a perfect way to memorialize a loved one for their service and sacrifices, celebrate the graduation of a young Soldier or the retirement of a career Soldier. And don't forget to honor the spouses and family members whose sacrifices are no less important. Pavers make meaningful and memorable gifts for birthdays, Christmas and other occasions.

★★★

*They have been called "dough boys." They have been called "grunts." In dirt, mud, canopy, and dunes, from Valley Forge to Vera Cruz, the coast of France to the Eagle's Nest, Beirut to Baghdad, they have fiercely fought for the last 100 yards.*

★★★

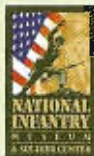

The last 100 yards belongs to the Infantryman. He claims every inch of this crucial terrain with rifle, grenades, and hand to hand fighting. Since the creation of the Infantry by the Second Continental Congress on 14 June 1775, Infantrymen have fought and died around the world to protect our nation's sovereignty.

*"Always ready ... then,  
now, and forever."*

Selflessly, these Soldiers charge into the fray of battle for their country and for their comrades. These brave and disciplined warriors display the courage, honor and integrity demanded of their profession. Though they have suffered the most combat casualties and have been awarded more than half of our nation's highest award, the Medal of Honor, until now there has never been a place or monument commemorating their achievements and sacrifices.

*I sincerely appreciate your efforts in honoring our Soldiers.*
