HQ, 1ST CAVALRY DIVISION (AIRMOBILE)

GENERAL ORDERS NUMBER 1723

21 MARCH, 1968

For heroism, not involving participation in Aerial Flight, in connection with military operations against a hostile force in the Republic of Vietnam. Sergeant Burnette distinguished himself by exceptionally valorous action on 31 January 1968, while serving as a rifleman with Company B, 1st Battalion (Mechanized), 50th Infantry during a search and clear mission near Binh Tri, Republic of Vietnam. When his unit became heavily engaged with a large enemy force, Sergeant Burnette exposed himself to the hostile fire as he moved through an open area in an attempt to warn his comrades of the location of a well concealed enemy position. At this time, Sergeant Burnette was mortally wounded. His display of personal bravery and devotion to duty was in keeping with the highest traditions of the military service and reflects great credit upon himself, his unit, and the United States Army.
