We have determined that Larry Coggins was not a member of the 1st Battalion (M), 50th Infantry during our tour in Vietnam.

We currently do not have access to the information that reported him as one of our KIAs, but it was indicated in a note on our original "In Memoriam" pages that someone within our Association identified him as such. There was some documentation that omitted the "3" in "503rd Infantry" by mistake. This may have contributed to his erroneous listing as a 50th Infantry soldier in the original Coffelt Database.

Larry Coggins died of an undisclosed, non-hostile illness or injury and was awarded a Bronze Star.

A photo of Larry Coggins in Basic Training is shown below.

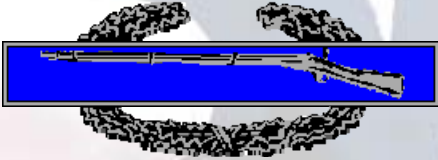

Larry's name is inscribed on our 50th Infantry Vietnam Memorial in front of Battalion Headquarters, Fort Benning, Georgia. By a unanimous vote of our membership, his name will remain on our memorial.
