"C" COMPANY

On May 11th, the platoon was to act as a blocking force for "A" Company 2/503rd which was sweeping from the East towards the positioned APCs of Myers' platoon. The men were to leave a few men with each APC and move on foot towards the sweeping troops of the 503rd. While in the "Point" (Lead) position, RC tripped an OED Booby Trap.

Although the medical evacuation Helicopter was able to arrive and extract RC within 15 minutes, there was no hope for him as his wounds were too severe. He never regained consciousness.
