Bill's Company Commander wrote: "Bill Moore was the youngest member of B Company 1/50th Infantry when we boarded the ship for Vietnam on 1 September 1967. During his time with B Company, he was a courageous, inspiring soldier, a standout throughout his time. In 2001, Bill and Donna accompanied a group of veterans and spouses back to Binh Dinh Province where we revisited significant places and paid tribute to our fallen heroes. Bill was an exemplary patriot, a decent, caring human being. My life is better for having soldiered with him. Cynthia joins me in extending our deepest condolences to Donna and the family."
