Flying over Thien Giao, Binh Thuan Province

Flying in a Huey chopper from Phan Thiet to Whiskey Mountain to consult with a platoon pulling security for the Communications station there, 5 November 1969. 1/50(M) started pulling security after an earlier NVA attack caused unnecessary damage. *Photo Courtesy of Ray Sarlin*.

(You can get the proper orientation on the preceding page's map by realizing the flight path of this chopper is from upper left towards Whiskey Mountain (Nui Ta Dom) in the lower right of the map.
