Corporal Brydun was killed as "B" Company came under heavy fire from the village of Truong Lam (2) on the 10th of December, 1967. Born in a displaced persons camp in Europe in 1946, he came to the United States as an Infant. Of Ukrainian decent, his family wishes: "Vichnaya Pamyat" - "You will be remembered forever"...Our Association's sentiment as well. Brydun was awarded the Bronze Star with "V" Device (For Valor) for his actions that day.

Fourteen 50th Infantry men were killed in the Battle of Tam Quan, which was the major battle of the 1st Air Cavalry Division's "Operation Pershing" on the coastal Bong Son Plains in and around Binh Dinh Province. 1st Brigade, 1st Cavalry Division (Airmobile) units, including the 1st Battalion (Mechanized), 50th Infantry, and the 40th ARVN Regiment engaged the NVA/VC including the 7th and 8th Battalions of the 22nd NVA Regiment, 3rd NVA Division in a running battle from the 6th through the 20th of December, 1967.

The engagement began on the 6th of December when a scout helicopter from "A" Troop, 1st Squadron, 9th Cavalry observed an antenna and received small arms fire from a native village structure in the vicinity of the village of Dai Dong (2) near the city of Tam Quan, from which the ensuing battle took it's name. Late in the afternoon, a Platoon of Infantryman (Blues) from Troop "A" were sent to investigate the antenna and became pinned down by intense enemy automatic and small arms fire. Reinforcements from "B" Troop, 1st of the 8th Cavalry and a "Ready Reaction" platoon of Armored Personnel Carriers (APCs) from "A" Company, 1st Battalion, 50th Infantry were able to successfully remove the 9th Cavalry elements that had been pinned down.

The following morning, on December 7th, after prep artillery fire and CS Gas deployment, the "A" Company Ready Reaction force was called in to help the now engaged troops from "A" Troop, 1st of the 8th Cavalry in the same vicinity. LT Hinton's RTO was killed in this action. Dudney Arlentino of Coolidge, Arizona became the first 50th Infantry man killed in the battle.

At this time, other 50th Infantry elements became fully involved in the battles as the enemy forces were located and attacked by our "B" and "D" Companies. Actions on the 10th of December saw ten men killed from "B" Company at the village of Truong Lam (2) and three men killed from "D" Company at the village of My An (2).

Most sources list the enemy (VC/NVA) dead for the battle at 650 and friendly forces lost a total of 58 men.
