The 1st Cavalry Division Intelligence Summary for December 27, 1967 reads: "At 2119 Hours at Map Grid Coordinates CR008786 (See Map Below), six or seven individuals with backpacks and several weapons were observed moving North. The individuals were engaged by B Company, 1st Battalion (Mechanized), 50th Infantry and a brief fire fight ensued, resulting in one US soldier being killed in action. The contact was broken after only 3 minutes. Two hours later B Company searched the area and found two dead enemy soldiers with packs containing rice and assorted clothing.

A search is on for surviving family members...who may be in the Detroit, Michigan area and/or Birmingham, Alabama.

Thomas Cast was posthumously awarded the Bronze Star with "V" (Valor) Device for his actions.
